Year: **Price: £ 16,995** (Host Family)

Additional Information

The College Select Programme allows students to choose a specific college (and subjects) for either a full academic year or part-year programmes. Accommodation is provided in either a Host Family or Halls of Residence (as specified in the price list) and the programme price varies by college.

Included: College placement, accommodation with Host Family (half-board) or Halls of Residence in a shared twin or triple room (meals as specified in price list), airport transfer from nearest major airport (either by coach, train or taxi), support from Accommodation/Welfare Officer at college and 24 hour Emergency line. Students are also allowed to return home in the school holidays if they wish to and can also participate in the trips to Edinburgh/Highlands in October and Dublin in February.

Not included: insurance, local transports, school material and uniform if required, extra-school activities (trips or cultural outings, theatres etc), personal expenses, flight tickets.

Application Criteria: Students must have good academic ability and be aged 16 to 18 at the start of the academic year (1st September). They must also have a good level of English and most colleges will test for an equivalent IELTS of at least 5.5 for full year programmes. Please note that some colleges require successful completion of tests in some subjects before an offer can be issued.

Enrolment fee: A non-refundable enrolment fee of € 1.500 is charged on application. £ 500 will be asked after formal letter of acceptance from the school. This fee is part of the programme fee and will be deducted from the final invoice. The remaining part of the programme fee is due upon receipt of the final invoice.

Application deadline: For programmes starting in August or September: 1st May. For programmes starting in January 1st November
